**I need your vote so  
I can get this started!**

- Statewide YELP-like platform, let kids and parents pick and compare programs,
- Transparent, fast, and locally focus approval process for new programs,
- Decentralized approval process; NO centralized bureaucracy in Sacramento,
- **Use current CDOE funds**, not taking fund from local schools, **NO NEW TAXES.**

# *We Support George Yang for State Superintendent...*

George understands that **parents – not bureaucrats** – know what is best for their children. He will ensure that parents are empowered to chart the best course for their children. George Yang is the right combination of **philosophy, creativity and energy** to make California a national leader in education and open every door to success for our students.”

★ **Senator Ted Gaines, CA Board of Equalization**

“I am excited about George’s **innovative After-school proposal**. It will provide much needed locally focused education choices that will help every kid discover his or her own passion for learning. I look forward to working with George to make this a reality for California’s kids.

★ **Jack Guerrero, City Councilman, Cudahy, CA**

“**George** came to Louisiana to help my Congressional campaign, and I really appreciate his **policy expertise on the issue of education**. And I am touched by his passion to **bring quality education to every American child**. Together, we drafted a **school choice** proposal that would have helped poor families and simultaneously rebuild and reinvigorate faith communities. I proudly endorse **George Yang** for **California Superintendent of Public Instruction**.”

★ **Claston Bernard, 2021 Candidate for U.S. Congress**
